## Ahoskie Draft Community Plan Survey

The Town of Ahoskie is working with UNC Chapel Hill Master's students in city planning on a Comprehensive Plan. The purpose of this document comes from a State legislature policy change which requires local governments adopt and maintain comprehensive plans or land use plans in order to retain their authority to adopt and apply zoning regulations. This plan is intended to guide coordinated, efficient, and orderly development within the planning and development regulation jurisdiction based on an analysis of present and future needs.
