

SENIOR STREETS MAINTENANCE WORKER

General Statement of Duties

Performs equipment operation and responsible unskilled and semi-skilled maintenance, repair, and construction work and in the Street and Sanitation Division of Town Public Works Department.

Distinguishing Features of the Class

An employee in this class operates heavy equipment and trucks, and performs varied maintenance and repair work on streets, storm drains, signs, sidewalks and curbs, parking lots, athletic fields, parks and Town facilities to include debris removal. Work may involve supervising inmate crews to perform the work assignment and requires a Commercial Driver's license to operate equipment used in performing the work. Work includes assisting with other areas of work in the Public Works Department and assisting with set up, tear down, and trash removal for special Town events. Judgment and initiative are required in the performance of duties. Employee is subject to various environmental conditions including working in both inside and outside environments, in extreme hot and cold weather, and exposure to various hazards such as noise, fumes, odors, dusts, mists, gases, moving mechanical parts, vibrations, and close quarters. Works on-call to assist in after-hours emergency repair work. Work is performed under regular supervision and is reviewed for accuracy, safety, and adherence to established standards.
